

“Sighting and listening”

The Revelation of Avatar Adi Da Samraj

*His Divine Presence
The Divine World-Teacher
Ruchira Avatar Adi Da Samraj*

*"The ultimate language of My Teaching is My own Person, without a word. Just the Sighting of Me is it. That is My Argument. It is not a Teaching in opposition to something. It is simply the Self-Revelation of Me As I Am."
Avatar Adi Da Samraj*

Sighting of the Awakened Master is the foundation of all the esoteric traditions of humankind. Via this Sighting, the Master directly Transmits his or her Spiritual Realization.

The Adidam Academy is offering an opportunity to experience the Transcendental Spiritual Revelation of Avatar Adi Da by “Sighting” His Bodily Human Form and “Listening” to His Empowered Teaching Word, and to explore your responses to this experience in an intimate and personalized class, led by a senior Academy Instructor. This event will be presented via teleconference and virtual classroom.
